

Sri Vijay Vidyalaya College of Arts & Science, Nallampalli

Annual Reports 2020-2021

Ladies and gentlemen A Precious morning to one and all present here

Honorable Vice Chancellor of Periyar University, Distinguished Chairman, Revered Correspondent, Beloved Director, Heads of the Department of Sri Vijay Vidyalaya College of Arts & Science, Special invitees, guests, Parents, Students, Friends from media and those who are present in this solemn graduation day ceremony, I deem it a pleasant and prime duty to welcome you all on this auspicious day in the history of Sri Vijay Vidyalaya college of Arts & Science.

VISION:

Our Vision is to **empower Women** through education and **impart** subject knowledge, by **honing** their Soft Skills and inculcate **Self-confidence** necessary to them, in order to fully participate in the development process.

MISSION:

To offer the high rate of education at the **splendid standards**, by **promoting** multidisciplinary **research** in applied areas of Arts & Science.

To **establish** the necessary **infrastructure** facilities and to create a conducive environment for progress.

To **conduct** training programs, **seminars, conferences**, extracurricular activities and **placement training** to help students to progress beyond their potential and guide them **to achieve their dreams**.

At the outset, let me first congratulate the students who are graduating today, especially those who are being felicitated, for their **exemplary performance on this momentous occasion**. Their achievements and contribution are a source of **joy and pride** to their families, to our institution, to the Periyar University and to the nation as a whole.

NAAC ACCREDITATION:

Our college is recognized with “**A**” **Grade from NAAC** and I am proud to inform that our institution is recognized with **2f and 12b** status by U.G.C., there by inducing our scholars **to extend their research** with **UGC fund**.

Next year we are going to process for **NAAC Re-Accreditation**.

ACADEMIC ACHIEVEMENTS:

Our college has achieved excellent Academic progress in Periyar University Examinations so far. In **May 2019**, the overall pass percentage was **99%** for U.G Courses 98% for PG and M.Phil Courses. Our College achievements have touched Crescendo by the attainment of **12 Gold Medals** in the year 2018-2019 and **14 Gold Medals** in the year 2018-2019, in various departments. Altogether our students have bagged **194 University Rankings**, bringing laurels to our institution.

STUDENT DEVELOPMENT PROGRAMME:

BRIDGE COURSE:

In order to bridge the gap between the **school curriculum** and the **University curriculum**, we conduct bridge course every year, which will help the students, to **adapt** to the **ever-growing needs** of the environment, as dictated by newer life style

practices. Every year, we are conducting a **Bridge course** to the first generation rural fresher's, addressing the needs of their **communication** skills and **English fluency**. Along with this, Quantitative Aptitude training is also given to our students throughout the year, to improve their **employability skills**.

TRAINING IN COMMUNICATION:

Without language, the entire process of education will be reduced to an incoherent collection of information. To **enrich** the **communication skills** and their **vocabulary**, **Spoken English training** is given, as this training will enhance their employability. Thus our institution concentrate on **imparting soft skills** that would help our youth, to corner the global opportunities, by appointing staff from **Indian Language Management (ILM)** Bangalore on a regular basis.

COLLABORATIVE METHOD OF TEACHING:

The new education policy, gives thrust to **collaboration & team work** and our faculty members always nourish the ability, to **troubleshoot the obstacles**, in **delivering the contents**, for which they need to adapt a collaborative method of teaching. Even in the COVID period, our staff adapted online teaching through ppt, Video conferencing and other interactive methods.

PLACEMENT CELL:

Our college organizes separate **Placement Training Classes** for all students regularly. In the academic year 2020-2022, **Mega jobs Mela** and other campus interviews were conducted. Nearly **5054 Students** were placed and recruited in various companies like TCS, WIPRO, Cap Gemini, AXIS, IDBI Bank, Tech Mahindra, and Eureka Forbes etc... in different parts of our country, through the guidance of our Placement Director Mr.M. Munivel.

EDP CELL:

Our College has established an “**Entrepreneurial Development Programme Cell**”, to create awareness among our students and it motivates them to become successful **Future Entrepreneurs**, by attending various **Training Programmes**.

Today’s trend among our youth is go in for “**Start up Ventures**”, for which we have developed a good ecosystem. As we take our students from various departments to different places, they become aware of the active **linkage between the industry and the academia** and pursue innovative ideas with great vigor.

EXTRA CURRICULAR ACTIVITIES

TNPSC/BANK EXAM COACHING:

We provide TNPSC coaching and **Bank exam coaching** regularly, having tie-up with renowned coaching center every week, so that they can participate in **competitive exams**, and can come out successfully **with Government and banking jobs**.

We have separate special trainer **Mr. M. CHINNADURAI** for coaching our students in **TNPSC every week**. Apart from these we invite reputed persons from Government sector, to give extra Coaching to the students to crack the exam successfully.

42 Students of our college are placed in Police department and **10 of our students** got appointment in postal department this academic year and **10 more students got government job** in different government sectors.

ICWA & CA AWARENESS PROGRAMME:

This programme offers various opportunities and awareness camps especially for Commerce and management students to **pursue high level professional courses** like CA/ICWA.

COMPACT COURSE PROGRAMME:

The Department of Mathematics has conducted a **compact course programme** for one week in our campus, inviting senior faculties from **Sri Ramanujam Society Chennai**.

YOGA

Yoga is one of the components in the **life skills curriculum**, developed by U.G.C, the **International Day of Yoga** is being celebrated in our college campus with enthusiastic participation of our students. As Yoga brings peace to our mind and health to our body, our students are **practicing yoga regularly**, which brings about the unity of thought and action.

To mark the **International Yoga Day on June 21**, our students took an Awareness Rally from Nallampalli to collectorate, holding **pluck cards and slogans**.

HEALTH CAMP & EYE CAMP:

It is our social obligation too, because the infrastructure we use for our education is provided by the society, to which we must give our share in return. Keeping this fact in mind, every year we are organizing **Health camp** with the assistance of our nursing college to **create awareness** about **health problems** such as anemia, eye problems and other hidden diseases.

In addition to this, during the **3rd Sunday** of every month we are busy organizing **Free Eye camp** in the name of our founder D.N. Chinnasamy, to provide help to the

rural people, keeping collaboration with **Arvind Eye hospital**, Coimbatore with the assistance of our **VIJAY Nursing College**.

CULTURAL ACTIVITIES:

We Celebrate International women's day, National Integration day, Bharathiyar's day, Sports day, College day, Teacher's day, Founder's day, Annual day and Pongal day celebration in a grand manner and fine fashion. Apart from this, our students exhibited their talents in PPT, Quiz, Debate and Singing in various colleges at Salem and **Namakkal** and they won the "**Best college trophy**" from **Thugalgal Charitable Trust**.

COMMITTEES

INTERNAL QUALITY ASSURANCE CELL (IQAC):

As **Innovation** is the key to industrial and **technological success**; **IQAC** has also been instituted for realizing the goals of **quality enhancement** and **sustenance** of our institution. The cell concentrates, not only in the scientific and economic areas, but also in bringing **social change** through, rallies, eye camp and health camp. Thus the **IQAC cell** develops, **scientific temper, humanism, the spirit of inquiry** and **reformation**.

STUDENTS WELFARE COMMITTEE:

The welfare of the students is given paramount importance in our college. As such, a **Students Welfare Committee exists** in each department to administer, the crucial responsibility of **ensuring the physical and mental well-being** of the students. An **Anti Ragging committee** is also functioning as per the instructions of Periyar University.

DISTRICT YOUTH PARLIAMENT:

We organized **District Youth parliament** in tie up with Periyar University. Nearly **60 Students** participated in selection process from **Dharmapuri** and **Krishnagiri** Districts. One of our P.G. Students **M/s. Monika Shree II P.G Maths** got selected and **went to Delhi** to participate in **National Youth Parliamentary programs**.

NSS/YRC/RRC:

Our NSS/YRC/RRC units have marched forward with more commitment. Both our YRC/RRC students are organizing **Blood Donation Camp**, conducting various **Awareness Rallies** regularly and thus rendering a helping hand for the **upliftment of the society**.

Through a week long **Residential camp**, our NSS students adopted a nearby village "**Pagalahalli**" under the "**Village Adoption Scheme**" of Periyar University, thus making the village **eco-friendly** and **plastic free zone**.

For the **past 3 years** under the abled leadership of Dr.Jayanthi our NSS Coordinator of Periyar University, our NSS students, gave awareness about the **plantation of trees**, importance of **Legal awareness**, **Cancer awareness**, **Health & Hygiene**, **First Aid** and **Road Safety Rules**. Our NSS Students also created awareness about **Rain Water Harvesting**, **Water Conservation** and **Disposal and Management of Waste Products**. As adoption of village on a long term basis can be one way of reaching out to people, we believe "**Better outreach will build better trust**".

Our YRC students attended one day **District Level YRC Study Camp** for 3 days at Periyar University.

Our **RRC** students participated in the "**Peer Educators Training program**" held at Periyar University.

INDUSTRIAL VISITS & FIELD VISIT

INDUSTRIAL VISITS:

The main objective of Industrial Visit is to make students, to get the **first hand experience** with the industries and environmental conditions. The departments of **BBA, Chemistry, Computer Science** and **Nutrition and Dietetics** took their students to industrial visits to **renowned industries** at Hosur, Bangalore, Tripur, Kodakanal, Sirgazhi and Krishnagiri respectively.

Our Botany & zoology students went for field visit to KVK at Pappalapatti and Regional Research station at Paiyur.

INSCRIPTION TRAINING:

Our **History** students went on “**Inscription Training**” at Krishnagiri Museum and they also visited many **Monumental Sites** in and around.

CONCLUSION:

My Dear Students! Today is the **greatest occasion** in your life and it is the passport that makes you fly with the **wings of the knowledge** to be issued shortly, I mean the degree or the diploma you have earned through your intellectual efforts. **Education** is one of the components of life **design**. But **character** is the key factor which will decide your **destiny**.

Education without character has no values. On this occasion, I advise all of you to be the **responsible citizens of our country** by the way of using the knowledge and potential, you have gained through your mentors during the course of study. I'm sure that you will definitely attain the **goals and success** in your career, provided you work with devotion and involvement.

Though the year 2021 has undergone drastic changes in economic, **health and educational** fields, I'm happy we are **slowly retrieving** our original self despite all the calamities including natural disasters of rain & tsunamis earthquake and landslip.

Let us **learn** lessons from mistakes. Like a phoenix which **resurrects** from its own funeral pyre, let's all **rise** up from all calamities and welcome a **peaceful 2022** new year.

To conclude, let me remind the scholars who are receiving their degrees today that **“Education does not end with a degree”**. In fact, a U.G and P.G is only a **milestone** in your **journey of learning**. Also you should remember that the education you have received is a **blessing bestowed** up on you by the society, which expects you to be at its **service in times of need**. You should definitely fly higher and higher in your career. **Sky is the limit for that**.

My dear young graduands, the abundance of youth like you are the **pride of our nation** and I request all of you to **perform exemplarily on par** with the **developed countries**, so that our **India** will become a **powerful nation** as per the dream of our former president Dr.A.P.J.Abdul Kalam.

Let me conclude the annual report with the words of Dr.A.P.J.Abdul Kalam, **“You are allotted a page in the Great Books of World's History. But it is up to make that page to be read by all”**. Similarly the **Trump Card** of your life is in your hands. Whether to win or lose is also in your hands. **You should decide your own destiny**. We wish you all success in **every walk of your life**.

THANK YOU!
